

The memorial bench pictured above is a sample of the benches that Fr. Krol and Robin Goddard ordered for the new priest monument honoring 197 priests who served at St. Mary's from 1885 to the present. The benches are made of South African marble. If a family would like to have one engraved with their name on it or in memory of a relative, the cost is \$1,700 payable to St. Mary's Prep. Please write Monument for OLSM priests on the check's memo line. If you have any questions, please contact Robin Goddard at 248-410-9109.
