

OLSM's week five football game vs. DLS has been named the CHSL Game of the Week on FM 101.5 and AM 1400 the Patriot. In addition to being heard on-the-air it can be streamed on www.patriotdetroit.com. We are also on TuneIn, I Heart Radio, and have our own Patriot mobile app. Pregame coverage starts at 6:30 PM with the kickoff at 7. I'll be on the call with Sean Baligian. Be sure to stay tuned after the game for the CHSL Drive Home Show featuring scores, interviews, updates, and more from around the league and the state.

We are utilizing social media more this year. We have our own social media sites for the station and two for the Game of the Week: Twitter and Instagram. Those are both @CHSLGO. We use #CHSLGO for interaction during the broadcast. We also utilize Facebook live at 6:25 PM each week to preview the matchup.

Thought I would pass that along....let me know if you would like any more info! If you could help spread the news on the web and social media that would be great.

Thanks!
