

AVI FOODSYSTEMS
America's Food Service Leader

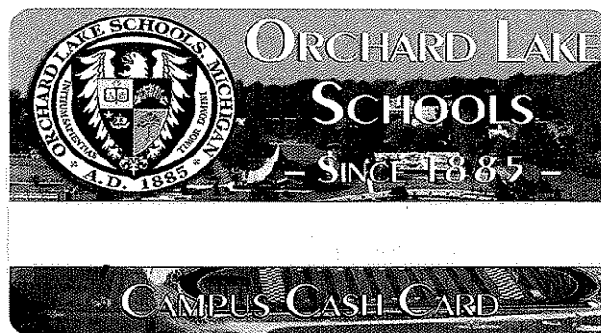

All students must report to the dining hall every day for lunch. Students may bring their lunch or buy hot lunch from the campus food service.

AVI Foodsystems is proud to be the food service provider for the Orchard Lake Schools.

AVI offers St. Mary's Prep Students the opportunity to purchase a flexible dining card in any amount which can be used for the purchase of food in one of our dining halls or the breakfast cart in the Preparatory building.

Questions? Phone Greg Urbanski, Food Service Director at 248-683-0440.

Students also have the option of purchasing our "Orchard Lake Schools Campus Cash Card" from the bookstore. This flexible card can also be purchased in any amount and may be used in the bookstore, the dining hall, the breakfast cart in the Preparatory building and the canteen in the Ice Arena.

Questions? Phone Regina Borowicz, Bookstore Manager at 248-683-0321.
