

March 5, 2009

To OLSM Parents,

Student physicals at OLSM have been scheduled for **May 5, 2009 from 4:00 to 7:00 pm**. This date was chosen to correspond to MHSAA regulations, which state that physicals for the 2009-2010 school year must be completed **after** April 15, 2009.

The success of last year's physicals is attributed to our team doctor, Dr. Jim Brandt and his staff. Dr. Brandt was able to bring in twenty or more people to help with the different stations for the physicals. The average time for a student to complete the physical was 14 minutes!! What doctor's office can boast that short of time to get through a physical? We are opening the physicals up to all OLSM students and their siblings (male and female) are welcome as well. We had approximately 140 students go through the physicals last year and we hope to have many more this year. This is a great opportunity for the students to have the physical done before summer if they plan to attend camps of any kind. A copy of the paperwork will be provided for you to take with you that day if needed.

**If students are not accompanied by their parent/guardian for the physical, we must have the physical form (also enclosed in this registration packet) completely filled out with a parent's signature in order to allow your student to have a physical.**

### **What: Student Physicals**

**When: Tuesday, May 5<sup>th</sup>, 2009  
4:00 pm – 7:00 pm**

**Where: Dombrowski Field House, OLSM Campus**

**How much? A \$20 donation to the athletic department.**
